PROVIDER AFFILIATION SEARCH

Enter Search criteria- First Name, Last Name **or** Organization Name. Entering the exact spelling of the first name, last name or Organization name will yield the best results. In the event that the exact spelling is not known enter a spelling that comes close to the original spelling.

After entering the first name/last name/ organization search click on the Search button. This will give you a list of providers with the same last name/first name or organization name that you have entered.

**Note:It's a contained search- Entering "sm" might not return anything but entering "Smith" will return all the Smiths as well as Smithfield, Smithsonian etc.*
